Please consider donating for these worthy projects :

Prison Book Project :

We are systematically getting the book *The Least of the Least* into every prison, juvenile detention center, and jail in the country. The discounted cost of each book delivered is only \$10.00.

Media Ministry:

We are about to begin a brand new YouTube channel dedicated to reaching those that traditional evangelism is missing: the unchurched, the atheist, the youth. We are in need of funds for video equipment, software, and volunteers to edit and create.

Mobile Ministry:

The Allen and Fornes families live full-time on the road for ministry. Most of their expenses are paid by Amazing Facts and the churches they minister to, but their RV related expenses are not. Anything you do to help offset their repair/maintenance costs is greatly appreciated.
